Dear Parents and Guardians,

Welcome to the 2010-2011 School Year! It is my pleasure to be working together with you to provide the highest quality education for your children.

On September 17th, 2010 we will be electing new parent representatives to our School Site Council. We need 2 parents on the Council this year. Parent participation on the council is important for developing plans that are responsive to our students’ educational needs. Responsibilities of the School Site Council are as follows:

- Review of student data, resulting in an assessment of student needs,
- Annual revision of the school’s Comprehensive Plan for Student Achievement designed to address the identified needs of students, and
- Subsequent review and evaluation program effectiveness within the comprehensive plan.

Active participation on the Norwood Junior High School Site Council will ensure support and input to the ongoing improvement of curriculum and instruction at the school. The members of this council will keep the school programs responsive to the changing needs of students and the priorities of this school. All segments (parents, students, teachers and administrators) of the school community need to be involved in the decision-making process.

Please seriously consider nominating or becoming a candidate to serve on this important school council.

Elections will take place on Friday, September 17th, 2010.

I look forward to working with you.

Brent Givens, Principal
